

## The Call To Worship

April 8, 2018

**L:** Smiling is infectious. You catch it like the flu.  
**P:** When someone smiled at me today, I started smiling, too.  
**L:** I passed around the corner, and someone saw my grin.  
**P:** When he smiled I realized I'd passed it on to him.  
**L:** I thought about that smile. Then I realized its worth.  
**P:** A single smile just like mine could travel the whole earth.  
**L:** So if you feel a smile begin, don't leave it undetected.  
**L/P:** Let's start an epidemic quick, and get the world infected!
