## Elder's 2016 Annual Report

2016 was a trying year for OCC. We've had people come and go. We've had several of our members in the hospital; and we had four of our members die this year. They have their reward with the Lord. We made some major cuts in our expenditures. Then we had a pipe break and flood the back of the Fellowship Hall. Thankfully, we have insurance which covers the damage.

But, all in all, we continue to hold our grip in our community. We've had new people attend, and stay with us for worship and fellowship. That is a real blessing. Even though we are a small congregation, we have a congregation that loves, cares for, and supports one another
